OCTOBER IS BREAST CANCER AWARENESS MONTH

Edina Family Physicians offers quality 2-D and 3-D digital screening mammography for our patients at our main clinic.

- You'll receive personal attention by a nationally certified mammography technologist
- All mammograms are interpreted (read) by a dedicated breast imaging radiologist at the Piper Breast Center – Abbot Northwestern Hospital, part of Allina Health
- Our caring and thoroughly trained mammography staff is available to see you Monday through Friday
- We are happy to schedule your screening mammogram along with your annual physical exam when possible

MAMMOGRAPHY APPOINTMENTS ARE SCHEDULED:

Monday through Friday, 8am to 4pm
952-925-2200

For more information about mammography and screening, please refer to AllinaHealth.org/mammogram
